

Lisa Hester (Wilcox)

Head of Review Strategy

About

Lisa has been exclusively dedicated to document review since joining Hilgers in 2011. Lisa's expertise in the use of Relativity-assisted review tools enables the efficient and accurate processing of large, complex, and often sensitive client files. Her focus on document-related tasks allows attorneys to focus on macro-level discovery management issues, entrusting the processing of quantities of documents in Lisa's experienced hands.

Lisa currently resides in Connecticut. Lisa is an Ironman triathlete and enjoys skiing and sport climbing with her four children: Claire, Julia, Matt, and Allie.
