

Hilgers Corporate:

Corporate Legal Services at Rates That Make Sense

Tired of overpaying for basic corporate services? At Hilgers Corporate, we get it. We know that many clients need help with day-to-day corporate work but do not have the ability or time to do it themselves. However, they also don't want to deal with the pain of bloated legal bills from Big Law firms—paying \$500 to \$900 per hour for junior associates and \$2,000 per hour or more for senior lawyers.

Our experienced team of corporate lawyers has the same credentials as Big Law lawyers but at a significantly lower cost. With rates in the \$300 to \$700 range, why pay double for the exact same lawyers but with less experience or less service? And why have an inexperienced junior lawyer learn basic corporate work on your time and your dime?
